## INGREDIENTS

Red Apples	4
Blueberries	2 cups
Strawberries	2 cups
Peach Liqueur	1 ⅓ cups
Dry White Wine	2 bottles
Club Soda	2 cups

## INSTRUCTIONS

1. Thinly slice apples from top to bottom. Use a small star-shaped cookie cutter to cut stars out of apple slices, discarding any seeds.
2. Add apple stars, blueberries and strawberries to a pitcher.
3. Add peach liqueur and wine. Let the mixture marinate in the refrigerator for at least an hour, or up to 8 hours.
4. Add soda or sparkling water and stir just before serving.
5. Serve sangria over ice.

### Notes:

- For festive ice cubes for serving, make berry ice! Add berries to ice cube trays, then fill with water and freeze.
- This sangria is not super sweet. If you prefer a sweeter sangria, use a sweet wine, such as moscato. You can also add simple syrup to taste.
